Yes, there is a difference!

Professional contractors have trusted Gannon Roofing for over 30 years. We have built that trust by our commitment to provide the best in products and services, delivered anywhere in Iowa! There may be other choices, but no one offers the expertise, reliability and true business partnership of Gannon Roofing Supply.

Extensive Inventory

- We can be on-site with a complete exterior package within 24 hours!
- Offices in Des Moines and Cedar Rapids mean statewide delivery anywhere

Experienced Sales Staff

- With a combined 100 years of experience and hours of factory training, our expert sales staff can “talk- the-talk” when it comes to your building product needs.

Locally Owned

- Our owners live and work where you do. We understand the needs of your marketplace.

Professional Delivery Equipment

- Eight knuckle boom trucks for rooftop or ground-drop delivery
- One-ton flatbed trucks and semi-tractor-trailer for large projects

Experienced Drivers

- Our drivers have the expertise to safely place 2200 pounds of materials from a 65-foot crane on your roof. (That same experience extends to any size of job!)

Large Selection

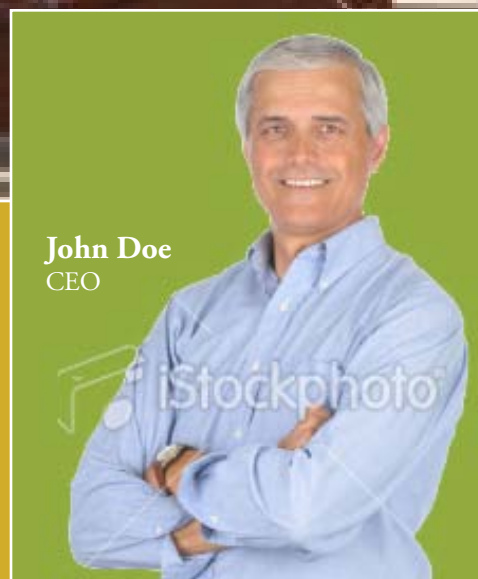

- A complete line of steep slope, low slope, siding and accessories from leading manufacturers

The Gannon Partner Advantage:

- In-house take-offs, taper design and specification assistance.
- Usage reports showing cost accounting by project
- Professional training opportunities

Consistent and Reliable

- Our commitment is to ship orders complete and on time.

LOW-SLOPE ROOFING PRODUCTS

30 YEARS OF WORKING WITH THE LOW-SLOPE ROOFING PROFESSIONAL!

Our knowledgeable staff understands that **low-slope roofs** have their own unique set of challenges when it comes to design, materials and installation. That's why we can cover your whole project from initial design to the final staging of materials.

Low-slope Products and Services:

- We provide in-house taper designs, estimating and specifications assistance.
- No matter the roofing system, Built-Up, Single-Ply, Mod Bit or Metal, Gannon Roofing Supply has the materials to meet your needs. We stock a wide variety of polyiso products, cover boards and underlayments.
- On-site delivery of a complete roofing material package within 24 hours
- Experienced drivers and specialized equipment including eight knuckle boom trucks.
- Usage reports by project
- Our commitment is to ship orders complete and on time.
